

Stand Up Paddle Boarding

NSI "ADD A BLADE" PADDLE ACCESSORY

Convert single blade paddle into double kayak style paddle!
 Another first from NSI, the Add A Blade Paddle Accessory is a polypropylene paddle blade you can attach to any SUP paddle at the handle end, converting the paddle into a double kayak style blade. The Add A Blade morphs the SUP paddle into a sit down or kneeling kayak style paddle. Using plastic, foam and strong Velcro for attachment, our "Add A Blade" can be easily removed and stored on your deck when not in use with the exclusive NSI Rubber Stick Down Plates with Spectra Loops.

PADDLE SHAFT BOARD HANDLE

Quick & easy board carrying option!
 Ever struggle carrying your board and paddle to the water? NSI solves this by utilizing the paddle to carry your board! Our new Velcro, stick down board handle system allows you to securely attach your paddle on the top deck of your board and then use the shaft of the paddle as a handle to carry your board. Easy, secure for quick trips to and from the water.

NSI TWO PIECE PADDLE

In addition to our 100% Carbon 1 piece paddle we now offer this same quality paddle in a 2-piece version. The two pieces fit together like a glove and stay securely attached using a stainless steel spring button attachment like used in windsurfing booms. The 2-piece paddle is great for air travel and everyday transport. Same quality, performance and value as our popular 1 piece paddle.

INNO BoardLocker Roof Rack System

Protection & security for any roof rack!

The Inno BoardLocker is the best locking solution for any SUP, Surf or Windsurf Board or for Kayak/Canoes. The floating strap system opens the Locker up for easy, no fuss loading. No need for throwing straps over the other side, simply open up the ratcheting hood and crank the straps down tight. The rubber coated stainless steel straps that ratchet down for secure tightening are lockable (includes locks & keys). Available in two models: the wide model to accommodate SUP and Kayak, and a model for Surf or Windsurf boards. Wide model comes with foam pads that universally fit

factory crossbars and aftermarket crossbar systems. The universal attachment systems allows you to mount the BoardLocker to Thule, Yakama and all other aftermarket roof rack systems, plus 99% of all factory racks.

Chameleon Strap and Pad System

Another market first from NSI, the Chameleon Strap and Pad System incorporates a new, unique design footstrap with the popular NSI Ultra Cush Pad. The strap has a foam top surface, which provides proper structure and a unique look. The strap underside has a special neoprene to foam lamination for ultimate comfort. Easy adjusting system utilizing NSI's proven cam buckle, this strap offers great rider to board connection. The same camo foam that is used on the strap is used as the top, grip layer of our Ultra Cush Sandwich Mount Deck Pad (6-7¼" insert spread) or Plate Style Pad (7¼-8½" insert spread). With heel and toe ramps, arch support and a toe bar, this multi density, thick and soft pad is one of a kind. Together these straps and pad work and blend together, Chameleon style. Available in two colors: Snow Camo and Blue Camo

Item Code: CSPSS Sandwich Mount MSR \$126.00

Item Code: CSPSP Plate style MSR \$136.00

Skim Board Deck Pad

NSI has designed a dedicated Skim Board Pad. Combining our super grip, thick foam material with two arch bars and kick tail on the rear pad we have a Skim Board pad that is functional and durable. We offer several colors to choose from.

NSI / Fun Humanz Bottle Opener Key Ring ID Tags

(Web site - Retail Only)

If loosing your keys or leaving a gear bag behind after a session is a concern, or if you ever find yourself needing to pop the cap off your favorite "after sesh" beverage, then NSI and Fun Humanz have a functional and fun solution. Our ID Opener combines a bottle opener with a personally engraved ID tag with key ring. Use it as a key ring, attach it to a backpack, to a purse, to a gear bag or anything that you want back if left behind... including the family dog. Each Opener is engraved with your name and phone number.
